If you have any questions, please consult our office manager. Parents are responsible for measuring each child. ***Our office staff will not be measuring students this season.***

All forms must be returned by November 21. If a form is not returned for your child, we will consider it a confirmation of the sizes determined by our staff.

Measurements (Note: How to measure the girth: Hold end of tape measure on top of the shoulder. Run tape down front of body, through crotch and back up to same shoulder. Allow for curves of bust and abdomen. Measure comfortably over buttocks and into small of back giving total girth measurement.)
